Find the bad bugs in our story
– count them as you go.....there's one!

Everyone in Happy Town is excited.
Melrose Mare has organised a picnic day.
There will be lots of food, drinks and games!

“Where are we going for our picnic?” asked Peter Pig.

“We’re going to Amanda’s Garden,” replied Melrose Mare. “My friends Barry and Lorraine live there.”

“Hello everyone,” said Barry.
“Welcome to our garden.”

“We hope you
enjoy your picnic,”
said Lorraine.

Before we eat our picnic lunch let's play for a while," said Dexter.

“Good idea Dexter. I will stomp on any bad bugs that can make us sick while everyone plays,” said Melrose Mare.

“Not me, I’m a good bug!” said Lady Bird.

“There’s one!”

“Come and join me on
the slide everyone!”
called Rosie Rabbit.

“This is fun but don’t forget to wash your hands after sneezing,” said Peter Pig.

Melrose Mare was very busy stomping on any bad bugs that could make her friends sick.

“Everyone is having so much fun in Amanda’s Garden,” said Daisy Cow.

“I’m feeling hungry
now,” said Peter Pig.

“Me too!” said
Baby Duck. “Let’s
have our picnic!”

“Stomping out bad bugs has made me hungry too!” said Melrose Mare.
“But wait. We must remember three things before we eat.”

“**One**, wash your hands before you eat and after going to the toilet. **Two**, cover your coughs and sneezes and **three**, don’t share anything that has been in your mouth.”

“Well done everyone. Thank you for washing your hands and not sharing your drinks,” said Melrose Mare.

Amanda's
Garden

“Thank you Barry and Lorraine! We have had a great time in Amanda’s Garden.”

Everyone was feeling tired
after the picnic.
It was time to go home.

“Thank you for keeping us safe from bad bugs Melrose Mare,” said Dexter. “We must visit Amanda’s Garden again soon!”
